Company Profile

Touching People lives Together with our customers we are helping to build whole communities across India. From Mumbai to Delhi, millions of families live in a Unitech home or work from a Unitech office. They drive along our roads and rest in our hotels. Children learn about the world from our classrooms while residents unwind in one of our many clubhouses. Soon they will be shopping in our malls or having fun at a Unitech theme park. We are proud to touch the lives of so many. We are proud to be India's leading property developer. "Our customers inspire us, together we are building the future on solid foundations" Invest In Beauty Our customers are the inspiration behind our commitment to deliver quality and design excellence for this generation and those following. We believe that when you invest in beauty it should last a lifetime. Because of this Unitech commissions the world's leading architects whose award-winning work doesn't just follow trends - it sets them. Their fresh, cutting-edge architecture sets Unitech properties apart and ensures that our customers live and work in some of India's most exciting developments. Together we provide truly innovative designs for contemporary Indian lifestyles. The Right Environment Whether you are looking for a home or a place to conduct business we all need the very best environment to thrive in. Unitech's developments occupy some of the most prime locations in India, whether in the heart of a city or in the green fields surrounding. We understand that you want beautifully landscaped, spacious and secure surroundings to raise your family in. We also appreciate that your retail outlets must be surrounded by bustling crowds and your offices provided with the most modern facilities. Unitech is developing properties to match all your expectations.
